Dear Colleague,

As you would be aware, our university is committed to increasing the number of international students. The AC resolution (Attached) reservation includes a 10% reservation of seats in hostels for foreign students. Many of our students come through Indian government scholarship schemes such as Indian Council for Cultural Relations (ICCR), which is an important partner for us in our internationalization. Through this partnership, we are able to admit students from many different nationalities. A resolution of the ICCR regarding compulsory provision of hostel to the ICCR fellow students is also attached for your kind perusal.

Our international students have started arriving. I am writing to you with a personal appeal to offer hostel facilities to the international students whose applications are forwarded through Foreign Students' Registry. Many of you have been extremely co-operative in honoring our requests and we are very grateful for your support.

We therefore seek your continued support in ensuring the welfare of our international students. We also request that, among the foreign students, priority be given to ICCR students, as provision of hostel facility is a mandatory requirement of their offer of admission.

Thanking you for your co-operation. Your help in this regard will be greatly valued.

Kind regards  
Shyama Rath

This is with reference to follow-up on issues emerged during the "Conference on Higher Education in India for Foreign Students" to ensure safety, security and welfare of foreign students.

2. I am directed to convey that in order to ensure security of the foreign students, Council has decided to make it compulsory for all ICCR sponsored students to stay in hostel.

3. Regional Heads are instructed to ensure that ICCR sponsored students are admitted preferably only in those Institutions/Universities which have adequate hostel facility.

4. ROs are also directed to keep in touch with college/hostel authorities by visiting the Hostel periodically and check / inspect hostel facilities including cleanliness and hygiene to ensure that ICCR scholars get the best facilities.

This issues with the approval of DG-ICCR.

Regards,

Not more than 5% seats in 1st Year of each Course in Colleges and 10% seats of total number of seats in Hostel be reserved for foreign students. If adequate number of foreign students do not seek admission, these seats be declared open for the Indian students after 10th August of each year and filled in usual manner. But the Colleges are free to admit more than 5% quota on the recommendation of the Foreign Students' Adviser as in the past.

The selected students for admission are to be distributed
