Dyal Singh (Eve.) College
Lodi Road, New Delhi-110003

Dear Principal

It gives us immense pleasure to share with you that the University of Delhi has achieved a significant distinction in terms of being recognized as the Institution of Eminence (IoE) by the Ministry of Human Resource Development (MHRD), Government of India. This distinction has been achieved as a result of the continuing efforts and contribution of our students, researchers, faculty from Departments and Colleges, administrative staff and the alumni.

The IoE proposal enunciating the strategic plan of the University of Delhi envisions stimulating academic life in campus and beyond as the leading higher education institution in India.

In this regard we are seeking participation and partnership of our faculty members from various colleges in different disciplines. This is to widen the net of talent pool of researchers across our colleges. This is the first step towards laying foundations of a wider academic participation in furtherance of the University's research profile. In this regard we seek your help in identifying the distinguished faculty from your College who could reinvigorate their research effort and significantly contribute to their own research program as well as to the institution. Therefore, we would urge you to be mindful of the rigorous requirement and selection in terms of their research performance and contributions of such faculty who well and truly qualify for being part of the eminence program.

In this regard, you are requested to send us five names of the best researchers of your College as evident from their publications by the next week. Please send the details as an **excel file** in the attached format **by naming the file as IoE_CollegeName**. The attached files are in .xlsx and pdf format for your perusal.

Thanks for your help in this regard.

Regards
Ashutosh
