

DYAL SINGH EVENING COLLEGE

(A full-fledged Day College)

University of Delhi

Date: 15.12.2020

NOTICE

All students of B.Com Semester 1, kindly note the following regarding the English course:

1. The course will retain streaming. The structure of three graded levels of English language learning is required in a diverse central university like Delhi University to address the differential learning levels of students and achieve the desired competence.

2. The existing English A, B, and C will be renamed as English Language through Literature, English Fluency and English Proficiency respectively. This will remove any discriminatory, hierarchical attributes in the existing nomenclature and refocus the pedagogic exercise on the respective objectives of the three streams in an academically thorough and non-hierarchical way.

As 98% of the B.Com Programme students have done English in class XII, streaming will be now based on their Class XII marks in English. There will be three streams:

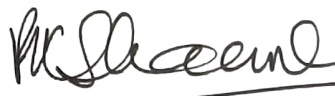

1. 80% and above: ENGLISH LANGUAGE THROUGH LITERATURE
2. 60% and above up to 80%: ENGLISH FLUENCY
3. Less than 60%: ENGLISH PROFICIENCY

o We have retained the present Delhi University Rule of streaming students who have done English up to Class X and Class VIII to ENGLISH FLUENCY and ENGLISH PROFICIENCY respectively to take care of the 2% who may not have done English upto Class XII.

o We have provided a 10% relaxation in Class XII English marks while streaming for students who have studied English Elective in class XII.

Students are advised to look up the time tables of individual teachers (already uploaded on the college website) and join the relevant classes.
