National Education Policy (NEP) 2020, also emphasizes the importance of inclusion in higher education as it asserts that access to quality higher education can provide many possibilities that can lift both individuals as well as communities out of the cycles of disadvantage and places it amongst the highest priorities. This would require orienting and providing an academic platform to our University teachers and research scholars to deliberate in this direction.

In the light of the above, we are pleased to inform you that the Institute of Lifelong Learning (ILLL), University of Delhi is organizing a 5-Day Short-Term course on ***Inclusion In Higher Education*** specifically for the faculty members and research scholars of our University.
