About InternNation Leadership Tour.

InternNation is an immersive hands-on learning program for the youth of today who wish to one day be stalwarts in their own right and have the will to change the very foundation of our Society.

Through InternNation, Chhatra Sansad provides the delegates with a chance to meet and interact Visionaries from the Public and Private Sector as well as the Government so that you can learn from the very best and inspire their fellow Indians. We provide a first-hand experience to the various governance models, opportunity to interact with leaders behind the scene and learn how they do what they do.

InternNation is a **10 day** tour of **New Delhi & Uttar Pradesh**. The participants get a chance to imbibe the same values that drive today's leaders and Visionaries. Additionally, they will be spending 10 days with likeminded people with the same energy and enthusiasm as them and who share a similar vision as them. This Tour also serves as a pathway to network with Policy Makers and Government officials for future collaboration and be a source of constant communication.
