Dear Prof. Tyagi,

Greetings!

Centre for Escalation of Peace, in collaboration with the Royal Institute for Governance and Strategic Studies and Pallavan Learning Systems, is delighted to inform you about the India-Bhutan Youth Summit 2019. With the successful conclusion of the inaugural summit in 2018 in Bhutan, we are conducting the 2019 summit in India. You can read the 2018 official report and the experiences of the participants by clicking the respective links.

India-Bhutan Youth Summit is an exclusive Fellowship opportunity - covering airfare, accommodation and meals - that is aimed at enhancing the understanding and appreciation of the youth regarding the importance of India-Bhutan friendship through meaningful discussions on various aspects of India-Bhutan collaboration.

The application process for the second India-Bhutan Youth Summit is currently underway. Details about the various **application stages and deadlines** may be accessed through our website ([www.cepeace.org](http://www.cepeace.org)). I would be grateful if you could share this information with your students who are interested and stand to gain the most from this experience. I thank you for your support in advance.

With warm regards,  
Arun Kapur
