

L'INSTITUT SHASTRI INDO-CANADIAN INDO-CANADIEN INSTITUTE

We are pleased to inform you that as a result of the MoU between Shastri Indo-Canadian Institute and Mitacs, signed recently in Vancouver, British Columbia, Canada on June 12, 2019, we bring to you the third component of **Shastri Research Student Fellowship (SRSF) - Student (undergraduates/integrated Masters Course)** which is now operational through SICI-MITACS Partnership Programme. Known as the Globalink Research Internship, it provides a 12-week research project at Canadian universities for high-achieving senior undergraduates from around the world.

Starting in May 2020, approved students will travel to Canada, where they will work with a faculty supervisor and other researchers at their host universities.

Fellowship package includes:

- Stipend for living expenses
- Professional development workshops
- Local Globalink Mentors

For more information, you are requested to visit [Globalink Research Internship](#).

The application deadline is September 18, 2019, at 1 p.m. Pacific Standard Time.

For any questions & queries related to GRI, please email to **Ms. Anju Taneja**, Finance Officer, SICI, at anjut@sici.org.in.

Please also note that Mitacs website's "student information" tab has a list of items and instructions to help you with your application.
