Dear Sir/Madam,

Greetings of the day from DULS!

As we all are aware that the DU e-Library web platform has recently been launched to serve the users with millions of DU subscribed and open access eResources, anywhere, anytime and on any device.

These eResources may be accessed by following two ways:

1. First is to login using your Delhi University official email Account(With subdomain ".du.ac.in" only)

To login on to DU eLibrary (https://du.refread.com/#/), Kindly follow these steps:

Step 1: Go to the platform using the above-mentioned link.
Step 2: Click on the Login button
Step 3: Click on "Log In with DU official Account"
Step 4: Use your DU official email to log in on G-suit and you will be automatically logged in on eLibrary.
Step 5: You have full access to the eLibrary

2. Second is to login as a Registered User

Faculty members/Researchers/PG students are eligible for registration for "DU eLbrary". In order to facilitate registration of users of your college/institution please send details in the enclosed file. Only 3 fields which are marked Yellow in color are mandatory, rest is optional. An invitation mail will be sent to all users once they are registered. In case of any query please feel free to write back.

It is urgent and important as the license of Remote Log Platform would expire soon.
