Dear Dr. Sharma,

As you are aware, to commemorate 75 years of Independence and befittingly celebrate the Azadi Ka Amrit Mahotsav (AKAM), RIS, under the guidance and support of the Ministry of External Affairs is organizing a digital exhibition at the Central Atrium, India Habitat Centre, Lodhi Road, New Delhi during 21-27 February 2022, showcasing India's development cooperation initiatives in various countries across different regions. The Exhibition shall bring on board national institutions of Government of India, major public and private entities, civil society organizations and social entrepreneurs.

In this regard, I am writing this to consider sending pre-identified group of students and faculty members to visit the exhibition to be part of this national endeavour. I am confident that this exhibition would expose our young generation to India's larger development and cultural connect with the world, and widen their outlook and perspective.

We look forward to your positive response. Sorry for this short notice.

The overall coordinator for the exhibition is Dr Sabyasachi Saha, Associate Professor, RIS (s.saha@ris.org.in; M: 9818060443).

With best regards,

Yours sincerely,

Sachin Chaturvedi
