Dear Sir,

It gives me pleasure to inform that Ministry of Food Processing Industries is organizing World Food India (WFI) - a Mega Food Event in Pragati Maidan, New Delhi during 3<sup>rd</sup> - 5<sup>th</sup> Nov 2023. The event will consist of exhibitions, technology pavilion, sector/country and state specific seminars/sessions and will provide a vibrant platform to showcase, network and facilitate partnerships between Indian and foreign stakeholders including innovators, start-ups & academia.

The event is an example of collective effort of different wings of the Government and so far, about 20 States and 12 Central Ministries/Departments including ICAR, CSIR, FSSAI and important sectoral academic/research Institutions like NIFTEmS, CFTRI, IIMR etc have been on-boarded for the event.

The event will be an excellent opportunity for related academia, researchers and students of your Institution to get acquainted with latest technological developments, ongoing research activities and interact with policy makers, industry stalwarts, regulators and innovators in food processing field. About 50 technical sessions encompassing complete spectrums of food processing sub-domains and involving acclaimed domestic and International speakers have been planned during 3 days of the event in newly inaugurated Bharat Mandapam of Pragati Maidan. Also, wide array of reference documents including 21 Country Profiles, 36 State Profiles, 9 sub-sector profiles, 5 knowledge papers and Investor's Guide is being compiled for the event.

The event is planned to be inaugurated in the main Conference Hall of Bharat Mandapam on 3<sup>rd</sup> November and I request you to motivate the related faculty, researchers and students to participate physically in the inaugural as well as other technical sessions of the event and visit the Pavilions in different halls of Pragati Maidan. The details of the event and registration link are available on event website <https://worldfoodindia.gov.in/>
