Subject: Regarding launching of "Apna Chandrayaan" portal and special course modules on Chandrayaan on 17th October, 2023

Respected Madam/Sir,

You are aware, India has made history as its Chandrayaan-3 became the first to land on the south-pole region of the Moon on 23rd August 2023. Beyond its immediate scientific impact, this holds the promise of inspiring young minds to join the realms of space exploration and science.

Now, it is being informed that Hon'ble Education Minister will be launching "Apna Chandrayaan" portal and special course modules on Chandrayaan on 17th October, 2023.

The Higher Education Institutions are requested to promote the portal and disseminate the special course modules among the students and teachers and encourage them to enroll in these special courses.

With regards,

Yours sincerely,

(Sudeep Singh Jain)
